Dear Mr. Garrison:

Just a few words to let you know that we wish you the best of luck in your investigation.

Two characters came to see at the end of 1967, representing themselves as correspondents of "Life" and showed us a whole slew of pictures. They asked if we knew any of them. We didn't. Did you. By any chance, could these 2 men? Or

Spoke with a Spanish accent.

Call us sometime or, letter, come to see us.

With best personal regards,

Sincerely,

George and Jeanne
